# ANTI-SKID SURFACES FOR ANTI-WORRY DAYS!

Move in a carefree manner and indulge in the flair of freedom.

Evardo Collection

Narrate a story of emotions that transcends through the corridors as dusk settles to create an interplay of durable and safe characters, where each surface crafts a structure of bold and innovative elements that display a choreography of moods in your exteriors.

Let your facade turn into a canvas of intriguing patterns that strike a monotone of strengthful pieces. Elevate your outdoors with an artful arrangement of emotion and design.

Create an outlining of contours that seamlessly blend into the parade of patterns to make solid structures that evoke the emotions of safety and designs. Make your exteriors set a natural ambiance of sturdy elements that match the natural environment and create a spotlight of bold structures.

## About Collection

**Colortile presents to you a collection that keeps you safe while you stroll through the aesthetics of allure and amazement, hereby checking against its goal of providing techno-solutions to modern-day problems. The Evardo Collection is here with Micro Matt Surface to keep your indoor and outdoor experiences safe and secure.**

These highly functional anti-skid tiles discard accidents because of their properties, such as anti-polishing, anti-abrasion, tactile friction, and more. This Collection withstands areas that are prone to accidents and sheltered spaces like courtyards, patios, sidewalks, etc.

Innovative surface solution for  
no risk of slipping or skidding.

## MicroMatt Surface

## Layers of Ingenuity

### INTERACTIVE FEATURES THAT ADD VERSATILITY TO YOUR INDOOR AND OUTDOORS

An advancement in the field of design and innovation, these tiles demonstrate an integration of creativity through the multiple layers. These layers compose a durable structure of excellence that is a balance between functionality and elegance.

Serving as a combination of textures and patterns, these tiles are an embodiment of meticulous crafting that takes into consideration the parameters of depth, patterns, etc., to have a visually dynamic result.

With these additional layers, you can enhance the tactical forces of your space and draw a carpet of comfort through the anti-skid properties, making it a choice of versatile and modern designs.

1 ) A strong base to ensure  
the durability

2 ) An addition of patterns to  
give an appeal to endurance

3 ) Relief structure created with  
digital adhesive and grits

With enhanced traction, the risk of slips and falls is reduced which makes your space a safer sanctity to walk upon. Seamlessly integrate style and security with such safe tiles.

Get a secured grip for your textured surfaces through tiles that are vastly thick, making it ideal for rugged interiors and exteriors of your space. These tiles stand tall against the changing weather, heavy footfall, and other uses.

# MicroMatt Surface

The exclusive MicroMatt Surface of the Evardo Collection is equipped with a consciously designed rugged surface treated with industry-leading anti-slip glaze which prevents slips and skids by enhancing tactile friction.
