Glazed Vitrified Tiles

Clutch lets you move worry-free with anti-slip tiles!

Walk, jog, run, play, rush, commute, and do more without worrying about slipping and skidding with the superior anti-slip tiles - Grippo from Colortile.

CLUTCH
COLLECTION

When you walk on an Ordinary Surface

When you walk on Grippo's Anti-Slip surface

Anti-Abrasion

Enduring resilience against wear makes the surfaces resistant to scratches and abrasions even in high-traffic areas.

Anti-Slip

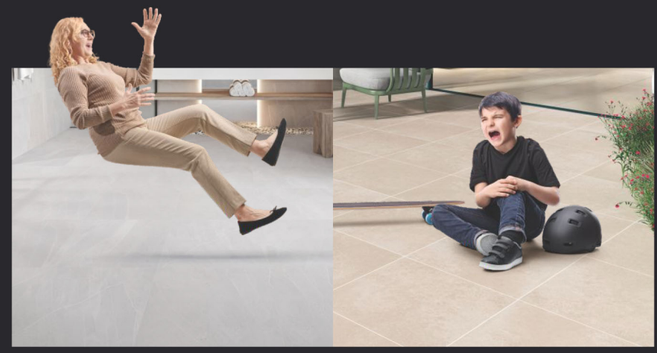

Prioritize safety in every step with a textured surface with a high coefficient of friction, reducing the risk of slips and falls.

Anti-Slip

Have exceptional standards of grip at areas with high footfall to prevent slips or falls and have a safe floor to walk upon!

WITH ORDINARY TILES...

The chances of falling or slipping off the ground are high since these surfaces do not have the R10 mark of safety.

With Grippo's tiles

You can walk, move, and stay care-free because we ensure guarded safety with our R10 Anti-Skid surfaces.

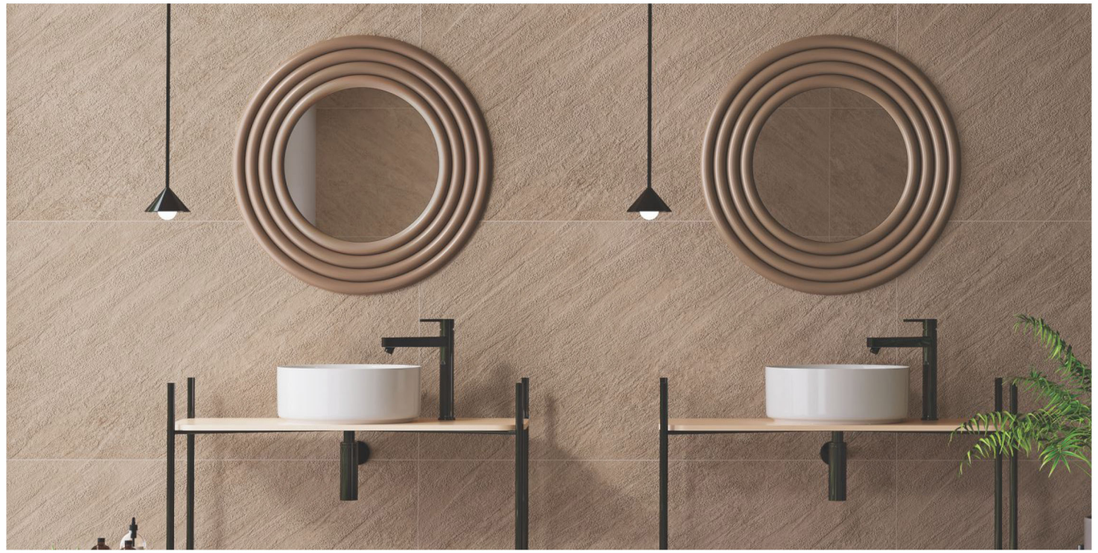

Transform spaces like homes, patios, commercial establishments, and more with high slip and skid-resistant tiles most ideal for application on floors to transform them into spaces safe to move worry-free.

Application on Floor

Application on Wall

Versatile form and functionality make the collection ideal for multiple applications like on the wall. The ideal thickness and weight of the tiles allow wall application for rugged interiors and exteriors of spaces facing weather, heavy use, and other atrocities of modern-day uses.

High Abrasion Resistance Property

Withstand wear, erosion, or damage caused by friction with surfaces that are made from qualitative sources of materials at areas with high foot traffic.

Chemical and stain Resistance

Prevent staining and discoloration with our chemical-resistant surfaces and enhance the durability of your space with the highly diverse applicable properties.

Impact Resistance

Have resistance against sudden blows without getting the surface cracked with our impact-resistant creations that integrity and longevity of your space.

Superior anti-slip and anti-skid properties, high breakage strength, resistance from impacts, stains, scratches, and more are the exceptional features and attributes of the rugged collection, making it ideal for a wide range of possible applications in places like gyms, supermarkets, and more.

Attributes & Benefits

- Long Durability
- Easy to Clean
- Impact Resistance
- Easy Installation
- Hygienic Surface
- Fire Resistance
- Chemical Resistance
- Thermal Shock Resistance
- Frost Resistance
- Low Water Absorption (0.5%)
- Dimensional Stability

Note: Colours shown are as accurate as the limitations of the printing results on paper are possible. Prospective customers are advised to inspect a sample of the tile before placing the order. Every effort has been taken to ensure the accuracy of the information given. However, the company reserves its right to change/alter the specifications without any prior notice. Sometime shade variation or size variation may occur, as this is inherent property of ceramic tile industry. Before fixing the tiles, all are advised to follow the laying instructions printed on the corrugated box of the tile. Company does not take/carry any responsibility of what so ever nature, once tiles are laid.
