innovation in  
ceramic happens.**

We have specialisation in manufacturing high-quality VITRIFIED and WALL TILES for every possible Architectural, Residential and Commercial use.

Colortile is one of the leading manufacturers of GVT, PGVT and Ceramic Body Tiles in India. For over a decade now, Colortile has been innovating and manufacturing Floor and Wall Tiles with an aim to excel in the tile field and also to satisfy its ever-increasing client base.

We have installed a production capacity of over 16.75 million square meters per annum, spread over 3 manufacturing units at Morbi, Gujarat, India. Our factories are well-equipped with state-of-the-art technology and modernised laboratories to keep us ahead of the curve.

## Mission

We manufacture wall and floor tiles that rank high on quality and aesthetic value irrespective of the place where they are applied. We are the first choice of residential, commercial and public buildings for indoor and outdoor applications. We forge a long-term partnership with all our clients by providing them excellent service. We keep our ears close to the ground to satisfy the needs of an evolving market.

## Vision

Always putting the bar high and the dream to achieve them with all the dynamism in designs, we have invested in the latest technology to make COLORTILE a top-notch brand in the tile world. We, at COLORTILE family promise ourselves to grow, innovate and maintain the quality forever.

# Inspiration
